

## **Staff Charity Rugby Match**

The much anticipated charity rugby match between a team of finely tuned athletes from NHS Ayrshire & Arran against the mighty Millbrae RFC has now been arranged.

This charity event has been organised to raise money for Clic Sargent and the Neuroblastoma Society, two excellent charities which have recently provided support to staff working within NHS Ayrshire & Arran whose lives have been affected by cancer.

The match takes place on Friday 15 August, with an 8pm kick off at Irvine Sports Club (home to Irvine RFC). Tickets for the match are available at a cost of £10 and there will also be food, raffles, auctions, and an after-game disco in the club. There will also be some guest appearances from current Scottish Internationals... although unfortunately they wont be helping us out by playing!

The NHS team is made up from a mix of current and former players, as well as a some spirited individuals who have never touched a rugby ball in their life but are willing to be involved for such a worthwhile cause.

Tickets can be requested in advance or can be purchased at the gate.

For a ticket, or more information on the event, please contact either Derek Cobb ([Derek.Cobb@aapct.scot.nhs.uk](mailto:Derek.Cobb@aapct.scot.nhs.uk)) or Paul Dunlop ([dunlopp@aapct.scot.nhs.uk](mailto:dunlopp@aapct.scot.nhs.uk)).
